# YOUTECARX BASE

## READY FOR ACTION

Everything you need to start working

### Configuration:

**Power:** 150 Watt

**Frequency:** 500 KHz

**Output:** Unipolar

**Emission:** Continuous

### Includes:

- 1 cable for unipolar applications Res/Cap
- 1 Handpiece for Res/Cap Unipolar Apps
- 1 Resistive Unipolar Electrode  
Ø 61 mm (medium size)
- 1 Capacitive Unipolar Electrode  
Ø 61 mm (medium size)
- 1 Steel Neutral Plate 14x20 cm
- 1 cable for disposable neutral electrode
- 5 disposable neutral electrodes
- 1 power cable

**Dimensions:** L: 31cm - H: 16cm - W: 25cm

**Weight:** 3,250 Kg
